§ 75.29

lot, and any other factual information pertinent to the inspection.

(b) *Sample inspection certificate.* A sample inspection certificate shall be issued to show the results of the inspection of a sample of seed or grain submitted by an interested party. Each sample inspection certificate shall state the results of the inspection that applies only to the sample described in the certificate.

(c) *General authorization to issue certificates.* Certificates for inspections may be issued by any inspector authorized by the Director to perform the inspection covered by the certificate.

(d) *Name requirements.* The name and signature of the person who issued the inspection certificate shall be shown on the certificate. The original certificate must be signed, and the signature or a stamped facsimile shall be shown on each copy.

§ 75.24 Disposition of inspection certificate.

Upon issuance, the original and one copy of each inspection certificate shall be delivered or mailed to the applicant or otherwise delivered or mailed in accordance with the applicant's instructions. One copy of each inspection certificate shall be filed in the Federal Seed Laboratory. In case of a lost or destroyed certificate, a duplicate thereof labeled as such may be issued under the same number, date, and name.

§ 75.25 Issuance of corrected certificate.

(a) If any error is made in an inspection, a corrected inspection certificate may be issued.

(b) The original and copies of the corrected certificate shall be issued as promptly as possible to the same interested persons who received the incorrect certificate.

(c) The corrected certificate shall supersede the incorrect inspection certificate previously issued. The corrected certificate shall clearly identify, by certificate number and date, the incorrect certificate which it supersedes.

(d) The original and all copies of the superseded incorrect certificate shall be obtained by the Director, if possible. If it is not possible to obtain the origi-

nal and all copies of the superseded certificate, to the extent possible, all parties involved will be notified to prevent misuse of the superseded certificate and the corrected certificate so marked as to the outstanding certificate.

APPEAL INSPECTION

§ 75.26 When appeal inspection may be requested.

A request for an appeal inspection may be made by any interested party regarding the results of an inspection as stated on an inspection certificate. Such request shall be made within thirty (30) days following the day on which an inspection certificate was issued.

§ 75.27 How to file an appeal.

Any request for an appeal inspection may be made orally or in writing to the Federal Seed Laboratory. If made orally, written confirmation is required. The applicant shall clearly state the reasons for requesting the appeal service. The original and all available copies of the certificate shall be returned to the appeal inspector assigned to make the appeal inspection.

§ 75.28 When a request for an appeal inspection may be withdrawn

A request for an appeal inspection may be withdrawn by the applicant at any time before the appeal inspection is performed: *Provided*, that, the appellant shall pay any expenses incurred in connection with the appeal as provided in § 75.46.

§ 75.29 When an appeal may be refused.

A request for an appeal inspection may be refused if:

(a) The reasons for an appeal inspection are frivolous or not substantial;

(b) The quality or condition of the seed has been altered since the inspection covering the seed on which the appeal inspection is requested;

(c) The lot in question in a lot inspection is not or cannot be made accessible for sampling;

(d) The lot relative to which appeal inspection is requested cannot be positively identified by the inspection as the lot from which drawn samples were

§ 75.30

previously inspected in a lot inspection; or

(e) The application is not in compliance with the regulations; and

(f) Such applicant shall be notified promptly of the reason for such refusal.

§ 75.30 Who shall perform appeal inspection.

An appeal inspection shall be performed by an inspector (other than the one from whose inspection the appeal is requested) authorized for this purpose by the Director.

§ 75.31 Appeal inspection certificate.

After an appeal inspection has been completed, an appeal inspection certificate shall be issued showing the results of such appeal inspection; and such certificate shall supersede the inspection certificate previously issued for the seed involved. Each appeal inspection certificate shall clearly identify the number and date of the inspection certificate which it supersedes. The superseded certificate shall become null and void upon the issuance of the appeal inspection certificate and shall no longer represent the quality or condition of the seed described therein. The inspector issuing an appeal inspection certificate shall forward notice of such issuance to such persons as considered necessary to prevent misuse of the superseded certificate if the original and all copies of such superseded certificate have not previously been delivered to the inspector issuing the appeal inspection certificate. The appeal inspection certificate shall be marked as to the existence of the outstanding certificate. The provisions in the regulations concerning forms of certificates and disposition of certificates shall apply to appeal inspection certificates, except that copies of such appeal inspection certificates shall be furnished to all interested parties who received copies of the superseded certificate.

LICENSING OF INSPECTORS

§ 75.32 Who may become licensed inspector.

Any person nominated by a cooperating State and who is found to have the necessary qualifications may be licensed by the Director as an inspector

7 CFR Ch. I (1–1–10 Edition)

to perform such duties of inspection as specified by the Memorandum of Understanding. Such a license shall bear the signature of an authorized employee of the Department. A licensed inspector shall perform duties pursuant to the regulations in accordance with instructions issued or approved by the Director.

§ 75.33 Suspension or revocation of license of inspector.

Pending final action by the Administrator, the Director may suspend, whenever it is deemed that such action is necessary to assure that any service provided is performed properly, the license of any inspector, issued pursuant to the regulations by giving notice of such suspension to the respective licensee, accompanied by a statement of the reasons therefore. Within 7 days after receipt of notice and statement of reasons by a licensee, an appeal may be filed in writing with the Administrator supported by any argument or evidence as to why the license should not be suspended. After expiration of the 7-day period and consideration of such argument and evidence, the Administrator shall take such action as deemed appropriate with respect to a suspension or revocation.

§ 75.34 Surrender of license.

Upon termination of service as an inspector or suspension or revocation of such license, such licensee shall surrender the license immediately to the Federal Seed Laboratory.

SAMPLING PROVISIONS AND REQUIREMENTS

§ 75.35 Obtaining samples for lot inspections.

Samples of seed for lot inspections may be obtained by licensed inspectors or authorized employees of the Department.

§ 75.36 Representative sample.

No lot inspection sample shall be deemed representative of a lot of seed unless the sample (a) has been obtained by a licensed inspector or an authorized employee of the Department; (b) is
